Achieving high employee engagement requires effective two-way communication. Traditional yearly employee surveys often fall short, providing limited insights and failing to capture the ongoing pulse of the organization. It's time for a change. Introducing Netpresenter Polls – a feature that instantly boosts employee engagement and keeps a finger on the pulse of your entire organization.

Empower employees

Give employees a voice, gather feedback on various topics, and track sentiments.

Decide data-driven

Identify trends and changes using automated reports to drive strategic, data-driven decisions.

Engage everyone

Boost engagement among all employees, including desk- and non-desk workers.

Try it yourself

Take a quick guided tour and experience how it works. It only takes a few minutes.
