Employees are busy at work and constantly bombarded with emails, chat messages, notifications, and intranet updates throughout the day. In this continuous stream of information, internal communications can easily be overlooked or missed entirely. That's exactly why it's crucial to stay visible in a subtle yet effective way. The Netpresenter Corporate Wallpaper does just that, offering visual communication continuously present on every desktop background.

## Increase visibility

Communicate through desktop backgrounds to increase visibility for your messages while allowing uninterrupted work.

## Make impact

Use branded templates, engaging images and QR codes to create visually appealing wallpapers that encourage action.

## Deploy easily

Update wallpapers for the entire organization without complicated installations or IT involvement.

## Try it yourself

Take a quick guided tour and experience how it works. It only takes a few minutes.
